

§ 143B-24. Cooperative agreements; prohibition regarding Health Benefit Exchanges.

(a) Except as otherwise provided by law, each principal State department may, with the approval of the Department of Administration, enter into cooperative agreements with the federal government, any state government, any agency of the State government, any local government of the State, jointly with any two or more, or severally, in carrying out its functions.

(b) The General Assembly reserves the authority to define the State's level of interaction, if any, with the federally facilitated Health Benefit Exchange that will operate in the State. No department, agency, or institution of this State shall enter into any contracts or commit any resources for the provision of any services related to the federally facilitated Health Benefit Exchange under a "Partnership" Exchange model, except as authorized by the General Assembly. No department, agency, or institution of this State shall take any actions not authorized by the General Assembly toward the formation of a State-run Health Benefit Exchange. It is not the intent of this section to prohibit State-federal interaction that does not pursue a State-run Exchange or "Partnership" Exchange model. (1973, c. 476, s. 24; 2013-5, s. 1(c).)
